Collection Name

Painted Wood

Bullet proof like no other painted lne on the market. Made from distilled water using natural earth mineral pigmentations our Painted collection exhibits a vibrant and eclectic mix of colours suitable for commercial and residential use. Through vast experimentation, we have developed our own colour layering system that creates a highly weathered aesthetic without the decades wait.

Especially valuable for company branding we provide the personalisation of colour combinations allowing the client to choose a total bespoke look every time. A kaleidoscopic of colours and combinations make this an exciting and innovative collection full of fun and fascination.
